2. ADMIN

Admin has similar access to Super Admin for platform operations.

2.1 Authentication Workflow

```
` Same as Super Admin (1.1) Role: admin `
```

2.2 Dashboard Overview Workflow

```
` | | Admin Dashboard | | /dashboard/admin |
| | | | | View Stats | | • Total
Patients | | • Active Doctors | | • Partner Clinics | | • Pending Approvals | | • Total
Revenue | | | | | Quick Actions | |
[Manage Users] | | [View Inventory] | | [Approve Requests] | |
` |`
```

2.3 Approval Workflow

View Pending Approvals |
Select Approval | • View request details | • Review
supporting docs | Decision:
[Approve] or [Reject] | Add rejection reason | (if rejecting)
Notify User | • Email
notification | • Update status

3. DOCTOR

Doctor creates and manages IV treatment plans for patients.

3.1 Authentication Workflow

```
graph TD; A[Login Page (/login)] --> B[Enter Credentials (Doctor Account)]; B --> C[Redirect to Doctor]; C --> D[/dashboard/doctor/];
```

The flowchart illustrates the login process for a doctor account. It begins at the 'Login Page (/login)', which leads to the 'Enter Credentials (Doctor Account)' step. From there, the process continues to 'Redirect to Doctor', which finally leads to the '/dashboard/doctor/' page.

3.2 Dashboard Overview Workflow

Doctor Dashboard | /dashboard/doctor |
▼ View Stats |
• Pending Quizzes | • Active Plans | • Sessions This
Week | • Patients Under Care | ▼
Navigation | [Health Quizzes] | [Treatment Plans] |

3.3 Health Quiz Review Workflow

3.4 Treatment Plan Creation Workflow

3.5 Share Plan with Nurse Workflow

3.6 Print Prescription Workflow

Treatment Plan List		▼
Select Plan	▼	
[Print RX] Button	▼	
Generate Prescription	Document:	• Patient Info
• Treatment Details	• Week-by-week Schedule	• Drip Components
• Dosages & Routes	• Doctor Signature	▼
Print Preview Opens	[Print]	[Close]

4. NURSE

Nurse executes treatment plans shared by doctors.

4.1 Authentication Workflow

Login Page (/login)	▼
Enter Credentials	(Nurse Account)
▼	Redirect to Nurse
Dashboard	/dashboard/nurse

4.2 Dashboard Overview Workflow

Nurse Dashboard	/dashboard/nurse
▼	View Stats
• Pending Preparations	• Completed Today
• Total This Week	• My Nurses
▼	
[Pending Orders]	[Completed Sessions]
[Infusion Checklist]	

4.3 Infusion Checklist Workflow

Infusion Checklist	▼
View Assigned Plans	from Doctors
▼	Select Patient Order
• Patient Name	• Drip Name
• Scheduled Time	• Doctor
▼	Step-by-Step Checklist
☐ Gather supplies	☐ Verify patient
☐ Check vitals	☐ Prepare drip
☐ Prime IV line	☐ Insert cannula
☐ Start infusion	☐ Monitor patient
☐ Complete session	

Mark Each Step Done | | ☒ Gather supplies | | ☒ Verify patient | | ☐ Check vitals... |
